The House met at 11:30 a.m. and was called to order by the Speaker pro tempore (Mr. SARBANES).

DESIGNATION OF THE SPEAKER PRO TEMPORE

The SPEAKER pro tempore laid before the House the following communication from the Speaker:

WASHINGTON, DC,
November 7, 2022.

I hereby appoint the Honorable JOHN P. SARBANES to act as Speaker pro tempore on this day.

NANCY PELOSI,
Speaker of the House of Representatives.

PRAYER

The Chaplain, the Reverend Margaret Grun Kibben, offered the following prayer:

Sovereign God, in You all things were created—things in Heaven and on Earth, visible and invisible, whether thrones or powers or rulers or authorities.

As we stand on the threshold of yet another day of national decision, center our hearts and minds first on You. As we run the course toward our country's future, remind us of the grace that You have shown the Republic from its inception, and grant to us again the mercy You have bestowed on us throughout our Nation's illustrious, albeit sometimes ignoble history.

May we yield to the guidance You have provided that has allowed these United States to preserve the ideals of liberty and freedom, to protect the dignity and purpose of each citizen, and to enjoy the privilege of prosperity. Then give us the wisdom to reflect on our responsibility to be faithful to Your divine favor.

Grant us the coverage to uphold the decency that allows diverse opinions to be heard and considered. Strengthen in us the moral fiber that values voices different from our own. For in Your

grace plan, You have bound us together, one nation, under You, O God, that we would bear witness to the faithfulness to be found in unity and not division, esteem and not enmity, love and not hatred.

May we prove worthy of the noble calling to which You have called us today, tomorrow, and in our future.

In Your eternal name we pray.
Amen.

EXTENSIONS OF REMARKS

HONORING MAX P. WOLF-JOHNSON AND HIS SERVICE TO THE U.S. HOUSE OF REPRESENTATIVES

HON. FREDERICA S. WILSON

OF FLORIDA

IN THE HOUSE OF REPRESENTATIVES

Monday, November 7, 2022

Ms. WILSON of Florida. Madam Speaker, I rise to honor the service and accomplishments of Max P. Wolf-Johnson, my senior legislative assistant who is transitioning from my office to pursue an advanced degree. Max joined my office in 2018 and has blossomed into an extraordinary policy expert and leader.

Max has been instrumental in my efforts to change the landscape of American higher education and provide more support to HBCUs. Further, he has helped to advance labor-related legislation that ensures critical provisions for America's workers and supports Job Corps in the next WIOA reauthorization. His actions have led to countless wins in education and labor policy, and he has gained a wealth of knowledge in both respective areas.

Additionally, Max has been willing to take on whatever assignment or job placed before him. His ability to take on new positions and excel is a testament to his work ethic and versatility. Though a proud native of the state of California, Max has treated Miami as his second home through his tireless work. A son of educators and a graduate of public K-12 schools, he understands the importance of the public school system.

After graduating high school, Max earned an associate degree at the College of Marin and a bachelor's degree at the University of California Berkeley, both in political science and government.

On behalf of Florida's 24th Congressional District, I ask my colleagues to join me in honoring Max Wolf-Johnson for his extraordinary accomplishments, commitment to public service, and trailblazing leadership.

HON. PAT FALLON

OF TEXAS

IN THE HOUSE OF REPRESENTATIVES

Mr. FALLON. Madam Speaker, I am honored and privileged to award Corporal Bob Kerr with a Congressional Veteran Commendation. His service and sacrifice through the United States Marine Corps exemplify his national pride and embodiment as a role-model citizen to serve the country he loves. Corporal Kerr is truly an ideal candidate to receive the Congressional Veteran Commendation.

Corporal Kerr served as a Squad Leader for the Marine Corps Recruit Depot in San Diego. He was a very skilled and qualified Rifle Ex-

pert and had obtained the highest score in the Depot. Due to his raw talent and impressive rifle skills, Corporal Kerr was promoted to Lance Corporal in less than a month. With his eventual promotion to Corporal, Corporal Kerr was a great resource for the Marine Corps Recruit Depot San Diego.

Corporal Kerr also served overseas in Vietnam. His specific service in Dong Ha, Hue City, Chulai, Phu Bai, and Quangtri exemplifies his passion and dedication to supporting the Nation he loves. As Squad Leader, Corporal Kerr oversaw four squads per platoon and also served as an Ammunition Technician. Corporal Kerr's long list of medals, awards, and honors include one representing the ultimate sacrifice of service. While in Vietnam, Corporal Kerr earned a Purple Heart.

Today, Corporal Kerr serves the Sulfur Springs Community and those around him. He serves as a Judge Advocate with the Hopkins County Marine Corps League and rides in motorcycle events that honor fellow veterans. HONORING RICH MAROVICH ON HIS 21 YEARS OF PUBLIC SERVICE

HON. JOHN GARAMENDI

OF CALIFORNIA

IN THE HOUSE OF REPRESENTATIVES

Monday, November 7, 2022

Mr. GARAMENDI. Madam Speaker, I rise today to honor Rich Marovich for his 21 years of service with the Solano County Water Agency. Through his work as streamkeeper of Putah Creek, Mr. Marovich has shown a ceaseless dedication and passion for protecting and preserving our community's natural resources.

Mr. Marovich is originally from Palo Alto, California, and earned a Bachelor of Arts degree in Plant Science at the University of California, Davis. After college, he worked at the California Department of Pesticide Regulation, where he administered the department's first Endangered Species Program.

After years of drought, the Putah Creek Accord restored the natural flow of the creek; with this restoration, the need for a streamkeeper emerged and Mr. Marovich was a natural choice for the role. Putah Creek's 70-mile-long stream extends from the Cobb Mountains to the Yolo Bypass making it a major fishing and wildlife resource. To maintain the creek and protect its resources, Mr. Marovich was ever diligent as streamkeeper in improving water quality and conserving creek resources. Through his position, he also provided educational resources to the community regarding the creek's importance and collaborated with landowners along the creek on cleanup efforts.

In addition to his work preserving Putah Creek, Mr. Marovich created several environmental projects including the development of plant nurseries, food cultivation efforts, and critical fundraising campaigns for assessment programs related to the creek's condition.

The annual Winters Salmon Festival and the return of Chinook salmon to Putah Creek is a testament to the tireless efforts and unyielding zeal of Mr. Marovich throughout his career. While his service as Putah Creek's streamkeeper will surely be missed, Mr. Marovich's 21 years of service to the conservation of California's water resources has undoubtedly left a legacy that will last for many years to come. I would like to extend my sincere gratitude for Mr. Marovich's dedicated service to the preservation of Putah Creek and wish him and his family my best as he enters retirement.

Finally in 2011, Karen was elected to the Contra Costa County Board of Supervisors overseeing District IV, where she has worked tirelessly to serve Contra Costans for the past 11 years.

Throughout her tenure on the Board, Karen has done substantial work to promote strength and resiliency within our community. She has helped protect and conserve the integrity of the Delta as an appointee to the Sacramento-San Joaquin Delta Conservancy Board and

Ms. WILSON of Florida. Madam Speaker, I rise today as a descendant of Bahamians to recognize VonCarol Kinchens for her contribution to the City of Miami's designation of the Little Bahamas of Coconut Grove on July 19, 2022.

Monday, November 7, 2022

Mr. FALLON. Madam Speaker, I am honored and privileged to award Major Michael Hogge with a Congressional Veteran Commendation. His service and sacrifice through the United States Air Force exemplify his national pride and embodiment as a role-model citizen to serve the country he loves. As an avid leader in his community, Major Hogge is a true patriot to those around him. Whether it's using his repair skills through his church or building homes for the impoverished in Mexico, Major Hogge is defined by humbly dedicating his life to service.

HONORING DR. MICHAEL KOSZTARAB

HON. H. MORGAN GRIFFITH

OF VIRGINIA

IN THE HOUSE OF REPRESENTATIVES

Monday, November 7, 2022

Mr. GRIFFITH. Madam Speaker, I rise today to honor Dr. Michael Kosztarab of Blacksburg, Virginia, who passed away on September 6, 2022. Dr. Kosztarab was a longtime entomology professor at Virginia Tech who led an exciting and heroic life in his journey from his native eastern Europe to Southwest Virginia.

Dr. Kosztarab was born in 1927 in Bucharest, Romania, to Michael Kosztarab and Berta Albert of Transylvania Hungarian descent. He spent much of his early childhood under the care of his widowed maternal grandmother in eastern Transylvania before returning to his parents in Bucharest at the age of six. They later moved to Budapest, Hungary. As a teenager during World War II, he defied the Nazis by aiding Jews in the city's ghetto, and while staying in a building with 36 Jews was arrested when the Nazis raided it. He was arrested and held in custody until Soviet forces arrived in Budapest.

After the war, Dr. Kosztarab worked for a floriculturist and then the Ministry of Agriculture's Bureau of Plant Protection eradicating pests. He enrolled in university and, based on his work in the ministry, decided to pursue entomology. He became an assistant professor, but Communist rule meant his position was accompanied by indoctrination and attempts to turn him into an informant.

When the Hungarian Revolution broke out in 1956 and was brutally put down by the Soviets, Dr. Kosztarab and his wife Matilda knew they had to flee the country, but also knew they could not yet take their infant daughter Eva with them. The couple evaded border guards and crossed an icy river into Austria. Dr. Kosztarab then arranged for Eva to join them. He traveled on a train that briefly crossed into Hungary for nine days. On the ninth day, as guards were looking the other way, Eva was tossed in a bundle to Dr. Kosztarab through a window. The family made its way to the United States the following year.

After earning a PhD at the Ohio State University, Dr. Kosztarab became a professor of entomology at Virginia Tech in 1962. His career was characterized by prolific research,

writing, and teaching. He discovered new insect species, authored or co-authored six books and 170 research publications, and received the W.E. Wine Award for Excellence of Teaching in 1968. Dr. Kosztarab served as a Founding Director of the Virginia Tech Museum of Natural History and as Founding President of the Virginia Natural History Society. The Commonwealth of Virginia named the Tiger Swallowtail Butterfly as the State Insect thanks to a campaign he led with the Virginia Federation of Garden Clubs.

Among the accolades Dr. Kosztarab earned over the course of his career are the Association of Systematics Collections' Annual Recognition Award in 1994, the Thomas Jefferson Medal for Outstanding Contributions to Natural Science from the Virginia Museum of Natural History Foundation in 1998, the L.O. Howard Distinguished Achievement Award of the Eastern Branch, Entomological Society of America in 2001, and fellowship in the Royal Entomological Society of London in 1989. He retired from Virginia Tech in 1992.

Dr. Kosztarab's wife Matilda passed away in 2013. He is survived by his daughter Eva Kosztarab, son-in-law Kenneth Kastner, grandsons Gregory and Matthew Kastner, granddaughter-in-law Katharine Hagen, and great granddaughters Lia and Abigail Kastner. I offer them my condolences on their loss. Dr. Kosztarab stood up to the two great totalitarian systems of the 20th century, Nazism and Communism, and in the United States led a distinguished career. It was a life that showed the promise of America and the character of Dr. Kosztarab.

HONORING THE LIFE OF PHIL MCCLURE

HON. BRIAN BABIN

OF TEXAS

IN THE HOUSE OF REPRESENTATIVES

Monday, November 7, 2022

Mr. BABIN. Madam Speaker, I rise today to honor the life of my dear friend, Phil McClure, of Warren, Texas, who passed away on Monday, October 31, 2022, at the age of 70.

Phil was born in Beaumont, Texas, on December 27, 1951, to Thomas Lindburg and Tressie Mae Drodgy McClure. He graduated from Kirby High School in Woodville, Texas, and was a member of the 1969 District Champion football team. As a young man, Phil was very active in Future Farmers of America and attained Eagle Scout rank, the highest achievement the Boy Scouts of America offer.

Phil owned and operated McClure Furniture Store in Woodville for many years, working as a licensed real estate broker on the side. My wife, Roxanne, and I purchased our first home from him when we moved to Woodville after I separated from the United States Air Force.

He loved being involved in his community and devoted countless hours serving in the Woodville Volunteer Fire Department, the Woodville Lion's Club, and the First Baptist Church of Warren. Phil graciously hosted my congressional staff at his beautiful Cypress Creek Ranch, sharing his passion for wildlife management, the great outdoors, and hunting with each of them.

Madam Speaker, it is a special privilege to recognize my friend, Phil McClure. My most sincere prayers remain with his friends and loved ones during this difficult time.

AWARDING SERGEANT JOHN
HERRINGTON A CONGRESSIONAL
VETERAN COMMENDATION

HON. PAT FALLON

OF TEXAS

IN THE HOUSE OF REPRESENTATIVES

Monday, November 7, 2022

Mr. FALLON. Madam Speaker, I am honored and privileged to award Sergeant John Herrington with a Congressional Veteran Commendation. His service and sacrifice through the United States Army exemplify his national pride and embodiment as a role-model citizen to serve the country he loves. Sergeant Herrington is truly an ideal candidate to receive the Congressional Veteran Commendation.

Sergeant Herrington was called to serve as a volunteer. As a Tank Crewman in Vietnam, he was a much-needed asset for the United States. Sergeant Herrington served in the U.S. Army with great passion and dedication to serve and deliver a great sacrifice.

Sergeant Herrington was even willing to lose both of his legs in battle to support his country in the Vietnam war. A perfect example of a patriot who deserves one of the most decorated medals, a recipient of a Purple Heart.

Sergeant Herrington did not let his new challenge stop him from continuing to live a productive life. He has held several professions including truck driver and gunsmith. During his free time, he is involved in the community and VFW activities. He serves as a Commander of the local chapter of Patriot Guard in which he uses his love of motorcycles to honor veteran funerals.

Upon delivering Sergeant Herrington with congratulating him for receiving this prestigious award, I was informed by my staff that though Sergeant Herrington may have lost both legs in battle, he still managed to persevere and walk across the stage to acknowledge the message. It is the great people of Lamar county that amaze me the most.

The fact that Sergeant Herrington has never backed down from a challenge and continues to press on with no complaints as to why I feel so lucky to recognize his sacrifices.

I am beyond honored to have Sergeant Herrington in Texas' 4th Congressional district and am privileged to award such a distinguished citizen for his true American grit.

HONORING COMMISSIONER KEN

Ms. WILSON of Florida. Madam Speaker, I rise today as a descendant of Bahamians to recognize City of Miami Commissioner Ken Russell for his contribution to the City of Miami's designation of the Little Bahamas of Coconut Grove on July 19, 2022.

Since the 19th century, Bahamians played an integral role in the founding of the City of Miami, representing one-third of the registered signatories on July 28, 1896, date of the city's incorporation.

Much like Miami's original Bahamian signatories, Commissioner Ken Russell's commit-

ment to preserving the rich Bahamian culture and history of Miami has helped to ensure the designation of the Little Bahamas of Coconut Grove.

Madam Speaker, please join me in honoring Commissioner Ken Russell for his contributions to the community and his role in the historic designation of the Little Bahamas of Coconut Grove.

REMEMBERING COACH VINCENT
JOSEPH "VINCE" DOOLEY

HON. BARRY LOUDERMILK

OF GEORGIA

IN THE HOUSE OF REPRESENTATIVES

Monday, November 7, 2022

Mr. LOUDERMILK. Madam Speaker, I rise today in remembrance of my friend and Georgia football legend, Coach Vince Dooley, who went to be with the Lord on October 28, 2022.

Coach Dooley was born in Mobile, Alabama in 1932. He began his football career at Auburn University, where he played quarterback from 1951 to 1953. After earning his undergraduate degree, Coach Dooley served for two years in the United States Marine Corps, before returning to civilian life to pursue a graduate degree. While studying for his Master's in history at Auburn University, he began working as an assistant coach, a role he would hold for eight years. In 1963, Coach Dooley accepted an offer to serve as the head coach at the University of Georgia, unknowingly setting into motion a chain of events that would change college football forever.

Shortly after assuming the role of head coach at UGA, Coach Dooley led the Bulldogs to an eighteen-to-seventeen win against the University of Alabama, the reigning national champions at the time. Over the following quarter century, Coach Dooley would orchestrate the University of Georgia's rise to the top of the college football ranks, earning a total of six Southeastern Conference Championships, culminating in the historic 1980 National Championship, which the Bulldogs carried undefeated. In total, Coach Dooley led the team to 201 victories, the most under a single coach in the school's history. Later, Coach Dooley would accept a new role as director of UGA's entire athletic department, in which he would cement the school's reputation as one of the top athletic schools in the country. In 2009, Coach Dooley would go on to help Kennesaw State University establish their own football program, which is set to join the prestigious NCAA Division 1-A by 2024.

Coach Dooley was the recipient of seven SEC Coach of the Year Awards and the Bear Bryant Lifetime Achievement Award. He was inducted into the College Football Hall of Fame, the Alabama Sports Hall of Fame, the Georgia Sports Hall of Fame, the Marine Corps Sports Hall of Fame, and the University of Georgia's Circle of Honor, and many other honors. In 2019, the University of Georgia christened their stadium 'Dooley Field' in his honor.

Coach Dooley's interests extended beyond the gridiron. He was a master gardener, author, and advocate for historic battlefield preservation. He was a committed family man who is survived by his wife of sixty-two years, Barbara; as well as their four children, eleven grandchildren, and three great-grandchildren.

In the south, where bitter rivalries between college football teams can be as divisive as politics, it is indisputable that Coach Dooley found his place among the greatest legends of football. He will be remembered as one of the southeast's most accomplished sons, and one of Georgia's most faithful servants.

Throughout the years, Fred and his wife, Donna, handled much of the business operations. In 2010, Joshua, Fred and Donna's son, was named president of the company, becoming the fourth generation in his family to run the business. That same year, Joshua wed Ashley, who had been part of the Albert's team since 2003. Throughout the years, the company has flourished, and Albert's Diamond Jewelers continues to be one of the largest independent and family-owned jewelry stores in the country.

The Halpern family dedicates much of their time and support to charitable endeavors throughout the region including the Foodbank of Northwest Indiana, NWI Parkinson's, Boys & Girls Clubs of America, the Humane Society, South Shore Arts, and TradeWinds, among many others. In addition, the family hosts an annual auction for Multiple Sclerosis, which has raised over \$2.6 million. The Halpern family is to be commended for their passionate and lifelong commitment to philanthropic efforts.

Madam Speaker, I ask you and my other distinguished colleagues to join me in recognizing the Boy Scouts of America, Pathway to Adventure Council and its 2022 Distinguished Citizen Award recipients, Fred, Donna, Joshua, and Ashley Halpern. For their compassionate devotion to numerous charitable organizations, the Halpern family is to be admired, and they are worthy of the highest praise.

After serving for twenty-one years, Gunnery Sergeant Hall retired in 1975 with many awards including the Bronze Star Medal with combat "V" device; and was awarded two Purple Hearts for battle wounds.

HONORING PASTOR LANCE BAILEY

HON. FREDERICA S. WILSON

OF FLORIDA

IN THE HOUSE OF REPRESENTATIVES

Monday, November 7, 2022

Ms. WILSON of Florida. Madam Speaker, I rise today as a descendant of Bahamians to recognize Pastor Lance Bailey for his contribution to the City of Miami's designation of the Little Bahamas of Coconut Grove on July 19, 2022.

Since the 19th century, Bahamians played an integral role in the founding of the City of Miami, representing one-third of the registered signatories on July 28, 1896, the date of the city's incorporation.

Much like Miami's original Bahamian signatories, Pastor Lance Bailey's commitment to preserving the rich Bahamian culture and history of Miami has helped to ensure the designation of the Little Bahamas of Coconut Grove.

Madam Speaker, please join me in honoring Pastor Lance Bailey for his contributions to the community and his role in the historic designation of the Little Bahamas of Coconut Grove.

S. 3969, PROTECTION AND ADVOCACY FOR VOTING ACCESS PROGRAM INCLUSION ACT

HON. RODNEY DAVIS

OF ILLINOIS

IN THE HOUSE OF REPRESENTATIVES

Monday, November 7, 2022

Mr. RODNEY DAVIS of Illinois. Madam Speaker, I must say that I am perplexed by the Chairwoman's statements on the COCOA Act. Her interpretation of the COCOA Act is misleading and inaccurate. There have been instances in past election cycles where election officials were not aware of Congress' role and responsibility in having its own observers on site to watch the election administration process and, as a result, were denied access. As I stated earlier, this bill fixes a bi-partisan problem by providing a citation of convenience for existing law that gives the House authority to deploy official observers to watch the conduct of congressional elections in the States and territories. This way, there is no question regarding Congress' authority to have observers present.

To my surprise, the Chairwoman identifies two late breaking concerns she has with the bill. First, she states that while the bill provides broad authority to Congress, it fails to provide election officials with the ability to protect personally identifiable information. This concern appears to be a novel one, particularly in light of the long history of the Congressional observer program. We certainly would have welcomed the opportunity to discuss it further in our multiple efforts to work with majority staff on this topic.

Second, the Chairwoman expresses concern over an election official's inability to remove congressional observers that are disruptive to the process. Contrary to the Chairwoman's statement, the bill outlines the role of congressional observers and specifically prohibits these individuals from handling ballots, elections equipment, advocating for a position or candidate, taking any action to reduce ballot secrecy, or otherwise interfering with the elections administration process. The bill also permits state and local authorities to remove any observer who misbehaves. As such, state and local election officials across the country would have appropriate protections in place and should not be distressed by the presence of congressional observers.

Over the course of the past two years, my staff made a concerted effort to engage majority staff on the COCOA Act as we view this as a bi-partisan measure. We provided draft language to them for review. They did not reference either of the aforementioned concerns or flag any language that they believed to be problematic in the few conversations we had with them. My staff repeatedly offered to confer on any issue that majority staff may have with the bill and received nothing but radio silence.

It is important to note that we had an initial agreement in principle to move the COCOA Act together with the PAVA Act. However, at the eleventh hour, the majority reneged on our agreement in principle to move the COCOA Act forward. Again, here on the House Floor is the first time we are learning of any issues with the bill.

This bill benefits both sides of the aisle and serves as an additional layer of transparency

and integrity in the elections process. I am concerned that, without the COCOA Act in place this fall, the majority and minority's ability to execute this House's constitutional responsibility will continue to face serious challenges.

HONORING THE SERVICE OF THERESE McMILLAN

HON. MARK DESAULNIER

OF CALIFORNIA

IN THE HOUSE OF REPRESENTATIVES

Monday, November 7, 2022

Mr. DESAULNIER. Madam Speaker, I rise today to recognize the service of Therese McMillan as she retires from her role as Executive Director of the San Francisco Bay Area's Metropolitan Transportation Commission (MTC) and the Association of Bay Area Governments (ABAG).

Throughout her career, Therese has dedicated herself to ensuring healthy and equitable transportation systems and corridors in communities across the San Francisco Bay. She began her work with MTC in 1984 and has served in nearly every position within the agency up until 2009. She then had the opportunity to work under the Obama Administration, serving as the Deputy Administrator of the Federal Transit Administration (FTA), then went on to become the Acting Administrator from 2014 to 2016. After her federal work, Therese worked for the Los Angeles County Metropolitan Transportation Authority as their Chief Planning Officer until 2019, then returned to MTC as its new Executive Director.

Therese has played a pivotal role in uplifting the voices of women in the transportation sector across the country, including through her participation in WTS International and as their Woman of the Year in 2016. She has also provided a real-world perspective to the landscape of transportation, teaching transportation finance at the San Jose State University Norman Y. Mineta Transportation Institute during her MTC tenure.

Also during her time at the MTC, Therese has spearheaded several initiatives that have helped strengthen the San Francisco Bay Area's transportation systems to be more equitable and inclusive for all Bay Area residents. Under her leadership, MTC established an Equity Platform where the Commission strives to advance policies and make investments that will ensure all Bay Area residents, including historically underserved and marginalized groups, are considered when discussing our region's transit needs. Therese also demonstrated strong leadership guiding MTC through the COVID-19, overseeing the formation of the Blue Ribbon Transit Recovery Task Force which aims to improve the transit rider experience. She was also highly involved with the Resolution 3434 Regional Transportation Expansion Program, helping to establish minimum housing density targets near transit stations and prioritizing transit capital investments throughout the Bay Area.

I am grateful for Therese's dedication and compassion in striving to provide exceptional transportation services to Bay Area residents. Please join me in congratulating Therese on her retirement and her nearly three decades of service to our community.

HONORING DR. JENNIFER BLACK AS IOWAN OF THE WEEK

HON. CYNTHIA AXNE

OF IOWA

IN THE HOUSE OF REPRESENTATIVES

Monday, November 7, 2022

Mrs. AXNE. Madam Speaker, I rise to name Dr. Jennifer Black as Iowan of the week. Through her work with All Care Health Center in Council Bluffs, Jennifer has committed to providing quality dental services to underserved communities.

Jennifer is a lifelong Iowan, who was born and raised in Council Bluffs. She attended Lewis Central High School, and then graduated from the University of Iowa's College of Dentistry. Following her graduation, Jennifer practiced dentistry in Red Oak where she served rural Iowans who often face challenges accessing care.

Jennifer then moved with her husband back to her hometown of Council Bluffs, joining the staff at All Care Health Center where she has been for the past 4 years. All Care is a community health center that has been serving the Council Bluffs area for over 25 years, and they particularly focus on removing barriers to quality care for those with the greatest need. One of the elements that stands out about All Care's dental program led by Jennifer is that All Care is one of the few providers in the area that accept Iowa Medicaid, which many vulnerable Iowans are enrolled in.

While joining the All Care team as a staff dentist, she became the organization's dental director following the onset of the COVID-19 pandemic providing leadership at a tenuous time. Jennifer ensured her team had PPE and put other protocols into effect to reduce the spread of the virus, while maintaining the availability of services for those in need. Jennifer's team at All Care provided critical time-sensitive dental care to patients, who otherwise may have had very limited options to receive their care. While Jennifer is now the Dental Director, she continues to also see and care for All Care patients directly.

All Care Health Center in Council Bluffs has helped ensure vulnerable populations receive the attention and care they need. As part of the All Care team, Jennifer has demonstrated her clear commitment to doing the most for those in need. I am proud to honor Dr. Jennifer Black from All Care as Iowan of the Week.

IN RECOGNITION OF ATARAH MCCOY AND HER SERVICE TO THE HOUSE JUDICIARY COMMITTEE

HON. JERROLD NADLER

OF NEW YORK

IN THE HOUSE OF REPRESENTATIVES

Monday, November 7, 2022

Mr. NADLER. Madam Speaker, I rise along with Henry C. Johnson, Chair of the Subcommittee on Courts, Intellectual Property, and the Internet, to thank Atarah McCoy for her service to the Committee on the Judiciary.

Atarah received her bachelor's degree from Princeton University and began her career in public policy and advocacy at the Ida B. Wells Just Data Lab. Atarah first joined the Judiciary

Committee as a Staff Assistant in July 2021, and in January 2022 was named Legislative Aide and Professional Staff Member for the Subcommittee on Courts, Intellectual Property, and the Internet.

As Staff Assistant, Atarah supported the full committee's senior staff and myself directly. A core part of my administrative team, Atarah acted as assistant clerk for over 16 hearings and 6 markups. Atarah also oversaw the committee's internship program. She is remembered for being a dedicated mentor and advocate for interns, ensuring that they professionally developed in an inclusive, welcoming environment—an especially difficult task during the COVID-19 pandemic when the office was primarily remote.

Recognized for her service, Atarah was promoted to Legislative Aide and Professional Staff Member for the Subcommittee on Courts, Intellectual Property, and the Internet. In this role, Atarah served as clerk for all Subcommittee business, and her work was essential to the success of much of the subcommittee's activities. She managed key parts of Subcommittee hearings, including working with witnesses, drafting speeches, remarks, and draft questions, and completing subcommittee hearing reports. Atarah was also instrumental in setting up a series of meetings with patent stakeholders to facilitate a ten-year review of the Patent Trial and Appeal Board.

Throughout all of her work, Atarah brought her commitment to public service, positive nature, and dedicated work ethic. She proved to be an excellent staffer who worked very hard on many critical but often unseen tasks with conscientiousness, professionalism, and grace. Our committee, Congress, and the American people greatly benefited from her service.

While we are sad to see Atarah go and she will certainly be missed, we are happy that she will continue to serve the public interest in her new role at a nonprofit legal organization pursuing racial justice.

We thank Atarah McCoy for her service to the committee and wish her the best of luck with this new chapter.

IN THE HOUSE OF REPRESENTATIVES

Monday, November 7, 2022

Mr. FALLON. Madam Speaker, I am honored and privileged to award Chief Petty Officer Robert "Bob" Dunn with a Congressional Veteran Commendation. His service and sacrifice through the United States Navy exemplify his national pride and embodiment as a role-model citizen to serve the country he loves. Chief Petty Officer Dunn is truly an ideal candidate to receive the Congressional Veteran Commendation.

Chief Petty Officer Dunn spent many years supporting the Navy with his decorated engineering knowledge and skill set. He was first ported in Hawaii on *USS Tunny SSN-682* as a reactor operator and electronic technician. He relayed his experience to new servicemen through teaching at the Electronics Technician

HONORING THE LIFE AND SERVICE OF JOHN WONG

HON. JOE COURTNEY

OF CONNECTICUT

IN THE HOUSE OF REPRESENTATIVES

Monday, November 7, 2022

Mr. COURTNEY. Madam Speaker, I rise to honor the long life of a cultural force of eastern Connecticut, John Wong. John passed away peacefully at the age of 92 on January 28th, 2022. A resident of Uncasville, Connecticut, John used his time on this earth as a conduit to extend appreciation for Chinese culture and heritage among his fellow community members.

Born in 1929 in Canton, China, John was son to James and Ago Gay Wong. John and his family moved to the United States during the Second World War, in 1944, resettling in Connecticut. John attended Buckley High School in Hartford, where he gained an appreciation—and eventually a scholarship—for the study of Fine Arts.

Ever the dutiful son, John focused on supporting the family business, Wong's Restaurant, after graduation. The joys he experienced working in the restaurant inspired him to establish a restaurant of his own, China Lake, in 1956. Supported by the love of his life Kally, who he married in 1958, John and his restaurant came to be known as an iconic spot in Uncasville for more than 25 years. After selling China Lake in 1982, John used his entrepreneurial skills to embark on other successful ventures, such as the Connecticut Air Freight Logistic Co. and Sing's Kitchen-located in the Town of East Lyme. John's Sing's Kitchen was such a hit in the area that he had to upgrade it from a takeout destination into a full-fledged restaurant before passing the business onto his son, Nage, and moving into retirement.

Though there are many eras of John's life for which he was known throughout his community, some of his most impactful years came about after his retirement. He used his time wisely, nurturing and fostering his connections with friends and family to establish an immeasurable reputation across the region. A man with an eye for opportunity, he recognized the potential to help those within the community on a larger scale and formed the Chinese and American Cultural Assistance Association. The positive influence of the CACAA was immediately recognized within the community and membership grew exponentially across New London County. Due to John's efforts, southeastern Connecticut was exposed to a layer of culture it had not seen before; and in 2014, he was recognized by the Rotary Club of Norwich, CT, and given the Diversity Award.

It is through this advocacy that I first came to know John as an avid contributor to the community, a participant in countless public events, and an instrumental figure in bridging the cultural gap between the Asian community and residents of the district. John and my staff developed a close relationship that spanned over ten years, working on issues focused on immigration, education, and economic development. Many of these efforts will undoubtedly have generational impacts on members of our community and their families.

Madam Speaker, it is an honor to have had the opportunity to represent constituents like John, who was so dedicated and creative toward the growth of his own community. I had the opportunity to meet John during my tenure in Congress and can personally attest to his relentless commitment to improving our region.

Throughout his life, he gave every project before him his all, and pushed to solidify an entire segment of a community within eastern Connecticut. For that we are grateful. Though we, alongside his fellow friends and surviving family—his daughter, Namie Tedford; sons, Nage and Walter Wong; and grandchildren—mourn his loss, we of course must seek to understand and preserve the weight of his life's work, which will continue to positively influence the district and state long beyond his

final days with us. To that end, it is most appropriate that my colleagues in the House join me in paying tribute to the inspirational, all-American story of the life of Mr. John Wong by preserving his memory through the permanence of the CONGRESSIONAL RECORD.

HONORING THE LIFE OF DALE W. JOHNSON

HON. DEREK KILMER

OF WASHINGTON

IN THE HOUSE OF REPRESENTATIVES

Monday, November 7, 2022

Mr. KILMER. Madam Speaker, I would like to take a moment to commemorate the life of Dale W. Johnson—a leader of the Makah Tribe who recently passed away.

Dale Johnson served as chairman of the Makah Tribal Council and the Northwest Indian Fisheries Commission. He led efforts to restore the Makah halibut, black cod, and whiting fisheries. Dale was also active within community sporting activities including basketball, football, and the traditional war canoe races. I was grateful for his partnership, and I was always honored to work with him on the critical issues impacting his Tribe.

I am humbled to speak in recognition of Dale. I join his family and the Makah Tribe in mourning his passing, but also in recognizing that his good work will contribute to the community for generations to come.

HONORING CURTIS WAYNE SUTHERLAND JR.

HON. H. MORGAN GRIFFITH

OF VIRGINIA

IN THE HOUSE OF REPRESENTATIVES

Monday, November 7, 2022

Mr. GRIFFITH. Madam Speaker, I rise today to honor Curtis Wayne Sutherland Jr. of Wytheville, Virginia, who passed away on October 9, 2022. As a public servant of his hometown for four decades, Wayne Sutherland successfully planned and managed significant projects to grow and improve Wytheville.

Mr. Sutherland was born on October 31, 1951, to Curtis Sutherland and Margaret Myers of Wytheville. He attended Virginia Tech and graduated in 1975 with a degree in civil engineering. After earning his degree, he taught at Wytheville Community College. As he later recounted to the Wytheville Enterprise, Mr. Sutherland had applied to a job in Virginia Beach but had not heard back; the Postal Service tardily delivered a letter inviting him to interview for the job a few months after starting at the community college. But he preferred to stay in Wytheville anyway. He took a job as Wytheville's assistant town manager in 1980. Four years later, he was elevated to town manager, a job he held until his retirement in 2020.

Under Mr. Sutherland's leadership, Wytheville enjoyed enhancements to its infrastructure as well as amenities to boost the town's quality of life and appeal to visitors. He put his training as a civil engineer to good use

by overseeing water, road, and building construction and improvements. He also established parks, trails, and green spaces. One of his favorite spots was his first park project, Elizabeth Brown Memorial Park.

Residents of Wytheville can appreciate Mr. Sutherland's contributions to the town when they enjoy the quality of its public services or take advantage of its scenic and recreational opportunities. He modestly attributed his success as town manager over several decades to his ability to delegate, but his contributions were enormous.

Mr. Sutherland was preceded in death by his parents and his son, Will. He is survived by his wife of 44 years, Faye Foglesong Sutherland; daughter, Jamie Pauley (Robert Patton); son, Curtis Sutherland (Hillary); sister, Sandra Sowers (David); and brother-in-law, John Scott (Sue). I offer them my condolences on the loss of this public servant who offered so much to his hometown.

AWARDING CORPORAL CHARLES "CHARLIE" COOPER A CONGRESSIONAL VETERAN COMMENDATION

HON. PAT FALLON

OF TEXAS

IN THE HOUSE OF REPRESENTATIVES

Monday, November 7, 2022

Mr. FALLON. Madam Speaker, I am honored with the privilege of presenting Corporal Charles "Charlie" S. Cooper, U.S. Army/Air Force with a Congressional Veteran Commendation. Throughout his life, Charlie was known for being a jack of all trades but remains humble and kind.

During his 3 years of military service, Corporal Cooper had some very important duties. Charlie's squadron was top secret, monitoring and decoding Japanese communication regarding the movements of the enemy and upcoming attacks on America and allied forces. Because his squadron was able to break up the codes and could relay the information within the strict timelines of the Japanese, the Air Force was able to eliminate incoming enemy attacks. While he served, Charlie was stationed in many different countries across the Pacific Theatre, including New Guinea, Dutch East Indies, the Philippines, and Tokyo where he was stationed when WWII ended.

Other than defending our nation, Charlie worked in the Aircraft manufacturing industry for 29 years, where he worked from maintenance all the way up to become a manufacturing foreman. He has many hobbies which consist of staying active in his church, where he sung in the choir until recently. One of the reasons Charlie resides in Rains County is because he wanted to enjoy his favorite past time, bass fishing, where he could do so on Lake Fork.

I commend Corporal Cooper for his undoubtedly brave service to this country and his community. He is a fitting recipient of a Congressional Veteran Commendation and I celebrate his service.

Sergeant Baillio served her country as a Maintenance Control Accounting Supervisor.

Her vast knowledge in accounting was a tremendous gift to the U.S. Army as she saved over twenty million dollars through stock analysis and review procedures for various aviation assets.

Sergeant Baillio's expertise shined as she prepared data for the XVIII Airborne Corps Aviation readiness supply status and provided briefing books for VTC coordination with wholesale and CONUS assets. I am amazed at the brilliance that Sergeant Baillio demonstrated in maximizing the U.S. Army's portfolio of assets. Her work and service led her across the world as she made stops in Korea, Japan, and Iraq. Her time in Iraq was necessary for the United States during a time of instability in the middle east.

After her tenure in the military, Sergeant Baillio did not stop serving the fellow veterans she loves. Her continued work for the Texas Workforce Commission and the Bonham VA is much appreciated as I personally understand the true impact that the Bonham VA has on Texas' 4th District.

While currently working for the Texas Veterans Commission, she has won many awards at the local, regional, state, and national levels designating her as a distinguished patriot in aiding veterans. She also is a Post commander for the Texas Veterans of Foreign Wars with various awards including being the first female to hold this position. To fully get an idea of why Sergeant Baillio is a true American patriot, she is a Department of Texas VFW Deputy State inspector as well as the District 13 American Legion Vice Commander.

I am beyond honored to have Sergeant Baillio in Texas' 4th Congressional district and am privileged to award such a distinguished citizen for her sacrifices.

RECOGNIZING MINISTER FREDERICK MITCHELL

HON. FREDERICA S. WILSON

OF FLORIDA

IN THE HOUSE OF REPRESENTATIVES

Monday, November 7, 2022

Ms. WILSON of Florida. Madam Speaker, I rise today as a descendant of Bahamians to recognize Minister Frederick Mitchell for his contribution to the City of Miami's designation of the Little Bahamas of Coconut Grove on July 19, 2022.

Since the 19th century, Bahamians played an integral role in the founding of the City of

Miami, representing one-third of the registered signatories on July 28, 1896, the date of the city's incorporation.

Much like Miami's original Bahamian signatories, Minister Frederick Mitchell's commitment to preserving Miami's rich Bahamian culture and history has helped to ensure the designation of the Little Bahamas of Coconut Grove.

Madam Speaker, please join me in honoring Minister Frederick Mitchell for his contributions to the community and his role in the historic designation of the Little Bahamas of Coconut Grove.

IN RECOGNITION OF WARREN COUNTY JUDGE-EXECUTIVE MIKE BUCHANON

HON. BRETT GUTHRIE

OF KENTUCKY

IN THE HOUSE OF REPRESENTATIVES

Monday, November 7, 2022

Mr. GUTHRIE. Madam Speaker, I rise today to recognize Warren County Judge-Executive Mike Buchanon, who is leaving office after serving 28 years of public service. Judge Buchanon not only helped Warren County grow to the 5th largest county in Kentucky, but has also worked to make Warren County a great place to live and work.

Judge Buchanon led the efforts to establish a new industrial park that is now home to over 19 companies that are on track to employ over 5,000 people by 2025, and he also changed workforce regulations to make Warren County more attractive to employers and more favorable for employees.

Another legacy of Judge Buchanon's tenure is the amazing parks and recreation facilities that he has developed over the past 28 years. The seven major parks and robust programming for sports add to the many reasons that Warren County is a wonderful place to call home.

Like other strong leaders, Judge Buchanon is leaving the county well-positioned for the future with very capable leadership to succeed him. I offer my deepest congratulations and appreciation to Judge Mike Buchanon; his wife, Ellen; and the members of the Warren Fiscal Court over the past 28 years. It's been my pleasure to call him my friend and serve Warren County with him.
